Do Dubs Right with Dolby Atmos

Consumers value a Dolby Atmos experience*

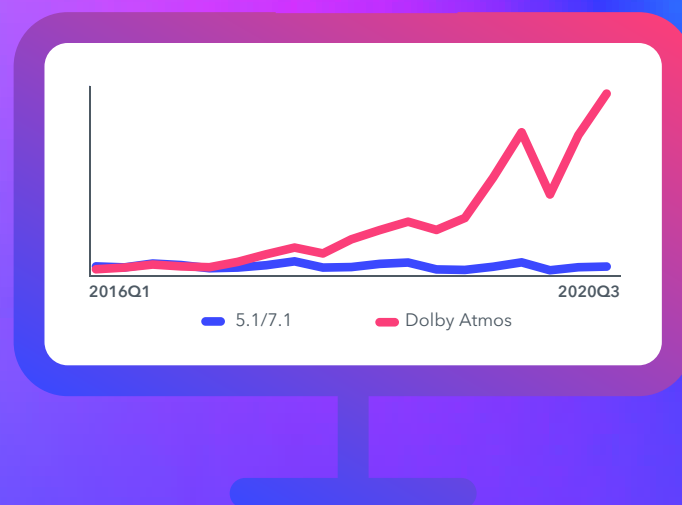

"You wouldn't expect it at first, but Netflix's Roma stream has possibly the most consistently superb Dolby Atmos track of any feature I've heard. It's all the more impressive as it doesn't rely on any bombastic sound effects or action scenes."

"Dolby Atmos has really elevated my listening and movie experience."

"Dolby Atmos is my go-to when I want a premium experience."

In Europe, sales of Dolby Atmos-enabled devices have increased by more than 500% since 2017 and the numbers keep growing**
